2. If you need a locker to keep a winter coat in please see your home base husky time teacher.
3. Some rooms may be chiller than others on the coldest days. Please plan to dress accordingly on these days.
4. Blankets are to be left home. Blankets being worn in the building (and especially over backpacks) can be a disruption and security issue. You will be asked to take the blanket off and put it in your backpack or locker during the school day.
