Hoover-Meredith Band Booster Club:

The Band Booster Club is a fundraising and service organization that works to provide financial and logistical support for the band in order to maintain a healthy concert, jazz, and marching program at Hoover High School. The largest annual fundraiser is The Hoover Jazz Festival which raises money for instruments, music, and equipment. Band Booster Members pull the band trailer, carry water bottles through parades, organize and distribute uniforms, sponsor a picnic, and take a huge role in the Hoover Jazz Festival.

The band booster club meet regularly the first Monday of every month as long as weather permits.

All Band parents are automatically members of the Hoover Band Booster Organization. For information on the band program, visit <http://hoover.band> or find us on Facebook and Twitter @dsmhooverbands.

Post- Prom Party Committee

Traditionally hosted at Plaza Lanes, the Post-Prom Party provides seniors a drug and alcohol- free party. Students can even attend the Post-Prom Party without attending Prom. There is bowling, karaoke, bingo, games and a hypnotist is the high-light of the night. Pizza and pop are served as well as other donations secured by the Post Prom Committee.

Parents start planning and fundraising in December by getting donations from local businesses, family and friends or by working the concession stands at sporting events.
