Approximate Bus Times from Home School perspective:

Note: The bus garage requires a 20-minute window for loading, departing, in-transit, and unloading. But some schools are closer to Central than others. The bus would arrive in time for the loading time listed and would leave as soon as it is loaded. The arrival times are the latest times that the bus would arrive back at the home school—it may be 2 – 3 minutes earlier depending on how far your school is from Central.
